MALAYSIA'S SCHEDULE OF MOVEMENT OF NATURAL PERSONS COMMITMENTS

Annex to Additional Commitments (Telecommunication Services)

Principles	Procedural Requirements
1. Competition safeguards	The regulatory body must take measure to: <ul style="list-style-type: none"> - Maintain fair competition among network operators. - Safeguard the interest of consumers.
2. Universal Service Obligation	Ensure that network operators contribute to Universal Service Obligation particularly the extension of services into rural and other underserved areas as stipulated in the licences
3. Public availability of licensing criteria	To advise other network operators on the licensed status of each network operator including terms and conditions pertaining to the operator's licence which govern the right of the licensee to interconnect with operators
4. Independent regulator	To exercise its functions with respect to the conduct of telecommunications operators and the running of telecommunications services in Malaysia as provided for under Section 3B of the Telecommunications Act;
5. Interconnection arrangements	To ensure that the following principles pertaining to interconnection arrangement are adhered to: <ul style="list-style-type: none"> - Interconnection and access between network operators shall be on an equitable and non-discriminatory basis; - Charges for interconnection facilities and services provided by network operators shall be fair and equitable; - The technical qualities of interconnect facilities and services provided by network operators shall be of no less quality than that provided by them within their own networks; - A domestic network operator in any of the market segments shall not abuse its market power to limit access to essential facilities only for interconnection; - The network operator that provides the access connection to the customer should be allowed to tell him (the customer); - No cross-subsidies should be allowed between carriers whereby one carrier has to bear an inequitable share of the Universal Service Obligation burden where the said share is not proportional to its market share.
