Investment Facilitation by SMART Programmes

Views

-  **Prioritize SDG investment sectors and green investment in the country's investment agenda.**
-  **Make an effort to formulate investment promotion strategies and promote SDG investment sectors strategically by the IPA.**
-  **To be aligned with regional and global settings and involved in regional and global engagements.**
-  **Need the National Action Plan for responsible business conduct to promote quality investment and sustainable investment.**
-  **Require the funding and technical support**
